

Whitman-Hanson WILL Presents:

Join us for an evening of awareness and education in attempts to curb young people from making destructive decisions!

Monday, April 11th | 6:30PM

Whitman-Hanson Regional High School
Dr. John F. McEwan Performing Arts Center

Main Presentation

Kathi Meyer, Taylor's Message

Kathi's life changed on one October morning in 2008 when she was informed that Taylor, her 17 year old daughter had drowned in only two feet of swampy water due to underage drinking and poor choices.

Panel discussion featuring:

Adolescent Treatment

Stacey Lynch, CASTLE, High Point Treatment Center

Law Enforcement

Chief Scott Benton, Whitman PD
Officer Bill Frazier, Hanson PD

Recovery

Mary Cunningham, Young adult in recovery

Recovery High School

Ryan Morgan, Principal Independence Academy

Audience members will have the opportunity to ask the panelists questions following their presentation.

Resources will be available. For more information go to:
